Boundaries.

North.—Starting from the north-east corner of Survey No. 19 of Salur, the line runs south-east along the south sides of Survey Nos. 54 and 53 of Mitlagod and meets the south-east corner of the last named survey number, thence through Survey No. 46 for a distance of 13 chains and meets the south-east corner of Survey No. 52, thence south-east for 6 chains and meets the south-west corner of Survey No. 47, thence south-east through Survey No. 46 for 14 chains and meets the south-east corner of Survey No. 47, thence north-east along the east side of Survey No. 47 to its north-east corner, thence north-west through Survey No. 46 for a distance of 11 chains and meets the eastern corner of Survey No. 49, thence east through Survey Nos. 46 and 14 for a distance of 28 chains and meets the north-west corner of Survey No. 2.

East.—Then the line runs south-east through Survey No. 14 for a distance of 15 chains and meets the south-west corner of Survey No. 8 of Mitlagod, thence south-west and south for 2 chains and 10 chains respectively through Survey Nos. 14 and 35 and meets the north-west corner of Survey No. 45, thence south-east through Survey No. 35 for a distance of 13 chains and meets the south-west corner of Survey No. 44, thence south-west for 15 chains through Survey No. 35 and meets the north-west corner of Survey No. 39, thence south-west through Survey No. 35 for a distance of 19 chains and meets the north-west corner of Survey No. 36, thence west through Survey No. 35 for a distance of 19 chains and meets the north-east corner of Survey No. 26, thence along the north side of the same survey number to its north-west corner, thence south-west for 9 chains along the north-west side of Survey No. 26 and then through Survey No. 35, and meets the western corner of Survey No. 32, thence along the west sides of Survey Nos. 32 and 33 and meets the western corner of Survey No. 33, thence south-west for 3 chains through Survey No. 35 and then south-east for 5 chains (excluding the Katte in Survey No. 35) and meets the south-west corner of Survey No. 32, thence along the south side of the same survey number to its south-west corner, thence east for 10 chains through Survey No. 35 and meets the western corner of Survey No. 44 of Salur, thence along its west side to its southern corner, thence along the north and west sides of the Salur village site to its southern corner, thence south-west, south-east and south-east along the Muktiharipur village boundary and meets the north-east corner of Survey No. 59, thence along the north sides of Survey Nos. 59 and 60 and meets the northern corner of the last named survey number, thence south-west for 5 chains through Survey No. 62 of Salur village and meets the north-west corner of the Majare village site of Salur, thence along its west side to its south-west corner, thence east for 11 chains and meets the south-east corner of Survey No. 59, thence south-west along the Muktiharipur village boundary and meets the north-east corner of Survey No. 72 of Salur, thence along the north-west and south sides of the same survey number to its south-east corner, thence south-west along the Belur village boundary and meets the halla at southernmost corner.

South.—Then the line runs north-west along the Kooduhalla and meets the south-west corner of Survey No. 74 of Salur, thence along the south and east sides of the said survey number to its eastern corner, thence north-east for 13 chains through Survey No. 73 and meets the south-eastern corner of Survey No. 71, thence north-east through Survey No. 63 for a distance of 15 chains up to a point about 3 chains south from the south-east corner of Survey No. 70, thence north for 5 chains through Survey No. 63 and along the east side of Survey No. 70 and meets the north-east corner of latter survey number, thence along the north side of the same survey number to its north-west corner, thence north-west along the east sides of Survey No. 66 to its north-east corner, thence along the east and north sides of Survey No. 64 to its north-west corner, thence south-west along a portion of its west side and then through Survey No. 63 for a distance of 12 chains and meets the south-west corner of Survey No. 64, thence in the same direction and through Survey No. 63 for 14 chains and meets the northern corner of Survey No. 77, thence along its west side to its south-western corner, thence along the west sides of Survey Nos. 66, 71, 76 and 75 and meets the westernmost corner of the last named survey number near the Hosakoppa halla, thence north-west along the Hosakoppa halla and meets the south-east corner of Survey No. 109 of Salur, thence along the east sides of Survey Nos. 109 and 108 and meets the eastern corner of the last named survey number; thence north-east for 23 chains through Survey No. 78 and meets the south-east corner of Arakoppa Majare; thence through Survey No. 78 for a distance of 23 chains up to the eastern corner of Kalkatte Majare; thence north for 8 chains and meets the eastern corner of Survey No. 98; thence north-west along the east side of the same survey number to its north-east corner; thence slightly south-east along the south side of Survey No. 79 to its south-east corner; thence along the east side of Survey No. 39 to its north-east corner; thence along the north and west sides of the same survey number and meets the north-east corner of Survey No. 79; thence north-west along the north side of Survey No. 79 to its north-west corner; thence north-east for 4 chains through Survey No. 15 and meets the south-west corner of Survey No. 80; thence along the south side of the same survey number to its south-east corner; thence along the south and east sides of Katte in Survey No. 15 to its north-east corner; then turns west for 7 chains through Survey No. 15 and meets the northern corner of Survey No. 80; thence along its north side to its north-west corner; thence south-west for 3 chains through Survey No. 15 and meets the northern corner of Survey No. 81; thence along the west sides of Survey No. 81 and 82 and meets the north-west corner of Survey No. 83, thence along the north, west and south sides of Salur village site and meets the south-west corner of Survey 99; thence along the west sides of Survey Nos. 98 and 100 and meets the south-west corner of the last named survey number; thence south-west for 8 chains and south-east for 6 chains through Survey No. 15 (so as to exclude the Katte) and meets the south-west corner of Survey No. 101; thence south-west along the west sides of Survey Nos. 103 and 104 and meets the north-west corner of Survey No. 105; thence south-west for 16 chains through Survey No. 15 and meets the south-west corner of Survey No. 107; thence south-east for 9 chains through Survey No. 15 and meets the foot-path leading to Bablihinjavalli; thence south for 13 chains along the said foot-path and onwards and meets the halla and crosses the same.

West.—Then the line runs north-west along the east side of Survey No. 110 to its northern corner; thence along the east side of Survey No. 111 to its north-east corner; thence along the east side of Survey Nos. 133 and 134 to the eastern corner of the latter survey number; thence north-east for five chains and then north-west for 15 chains through Survey No. 15 (so as to exclude Kattes) and meets the north-east corner of Survey No. 136; thence north-east through Survey No. 15 for 11 chains and meets the south-east corner of Survey No. 141; thence along the east side of the same survey number to its north-east corner; thence north-west through Survey No. 15 for 11 chains and meets the south-east corner of Survey No. 2; thence along the east sides of Survey Nos. 2, 3, 4, 5, 12 and 13 and meets the north-east corner of the last named survey number; thence through Survey No. 15 for one chain and meets the south-west corner of Survey No. 20; thence south-east for 19 chains through Survey No. 15 and meets the southern corner of Survey No. 20; thence south-east for eight chains up to the southern corner of Survey No. 27; thence south-east for seven chains up to the south-west corner of Survey No. 28; and then south-east for five chains up to the south-west corner of Survey No. 30; thence east through Survey Nos. 30 and 31 for 24 chains and meets the south-west corner of Survey No. 36; thence along the south sides of Survey Nos. 36 and 37 and meets the south-east corner of the last named survey number; thence north-east along the east side of Survey No. 37 to its north-east corner; thence along the north side of Survey No. 37 to its north-west corner; thence north-west through Survey No. 31 for a distance of 25 chains and meets the north-east corner of Survey No. 34; thence along the north side of the same survey number to its north-west corner, thence south-west for eight chains through Survey No. 31 and meets the north-west corner of Survey No. 33; thence west through Survey No. 31 for four chains and meets the eastern corner of Survey No. 22; thence along the east side of the same survey number to its northernmost corner; then turns north-east along the east side of Survey No. 19 and

Remarks.—Rights and privileges enjoyed by the villagers within the Block.

(a) *Right of Way.*—(1) Three cart-tracks from (i) Muktihariharpur to Mitlagod, (ii) Hosakoppa to Salur and (3) Muktihariharpur to Salur are open to men, cattle and carts all the year round.

(2) Four foot-paths from (iv) Hosakoppa to Babli, (v) Salur to Hosakodagi; (vi) Hosakoppa to Kimmanc and (vii) Salur to Bablihinjavalli and all paths from hamlet to hamlet included in the Block are open to men and cattle all the year round.

(b) *Right of Grazing.*—The raiyats of Salur village are entitled to graze their cattle free in gomal Survey Nos. part 61, part 30, part 63 part 73, and full 62, while the villagers of Salur and Mitlagod can graze their cattle in Kharab lands on payment of Hulbanni.

(c) The raiyats of Salur and Mitlagod may extract green and dry leaf for manure free from the Minor Forest adjoining the cultivation.

(d) *Rights to Forest Produce.*—All the Malnad Raiyats' privileges to forest produce may be exercised by Salur and Mitlagod villages in accordance with Government Order No. G. 12673-82—Ft. 185-24-7, dated 11th April 1929.

No. G. 1387—Ft. 61-32-2, dated 25th August 1932.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of section 4 of the Mysore Forest Regulation (XI of 1900), that it is proposed to constitute the area, the boundaries of which are described in the schedule below, a State Forest, under the provisions of the said Regulation.

2. The Government of His Highness the Maharaja of Mysore are further pleased, under clause (c) of the said section, to appoint the Sub-Division Officer, Closepet Sub-Division, to be the Forest Settlement Officer, who shall inquire into and determine the existence, nature and extent of any rights claimed by, or alleged to exist in favour of, any person in or over land comprised within such limits, or to any forest produce of such land and to deal with the same as provided in Chapter II of the said Regulation, and the District Forest Officer of the Bangalore District, for the time being, to attend on behalf of Government to assist the Forest Settlement Officer in the inquiry.

3. The Government of His Highness the Maharaja of Mysore, are further pleased, under the authority vested in them by Section 15 of the said Regulation, to appoint the Deputy Commissioner of the Bangalore District, for the time being, to be the Officer of the Revenue Department who shall hear appeals from the orders of the Forest Settlement Officer under sections 10, 11, 12, 13 or 14, of the Regulation.

Schedule.

District	Taluk	Hobli	Village	Area approximate	Name of block	Remarks
Bangalore ..	Magadi ..	Madabal ..	Gattipura .. Belagavadi ..	A. g. 655 0 or 1028 square miles.	Gattipura Block.	This block is situated at a distance of about 8 miles south of Magadi Town.

Boundaries.

North.—Starting from the junction gadi bandh of Kayamgutha Sadamaranahalli and Chakrabhavi Villages, the line runs south-east along the southern boundary of Survey No. 49 of Gattipura Village to the north-west corner of gadi bandh of Jodi Inam Gejigarguppe Village.

East.—Then south-east along the western boundary of Jodi Inam Gejigarguppe to the north-east corner of Survey No. 20 of Belagavadi, then south-west along its northern boundary to its north-west corner; then south and south-east along its western boundary to its south-west corner; then south-west and south along the western boundary of Survey Nos. 21 and 22 of Belagavadi to the south-west corner of latter survey number.

South.—Then west along the northern boundary of Survey Nos. 24, 18, 17 and 16 of Belagavadi to the north-west corner of Survey No. 16; then south along its western boundary to its south-western corner; then west through Survey No. 19 of Belagavadi to the south-east corner of Survey No. 104; then north-west and north along the eastern boundary of Survey Nos. 104 and 103 to the north-east corner of latter survey number; then north-west and west along the northern boundary of Survey Nos. 103, 102, 101 and 100 to the north-west corner of Survey No. 100; then west through Survey No. 19 for about 33 chains and meets the eastern boundary of Jodi Inam Byadarhalli.

West.—Then north-east along the eastern boundary of Jodi Iuam Byadarhalli for about 6 chains; then east through Survey No. 19 of Belagavadi to a point about 5 chains north of north-west corner of Survey No. 20 (Tank) of Belagavadi; then north-west, west and north-west through Survey No. 19 of Belagavadi to a point at a distance of about 68 chains north-east from the north-west corner of Survey No. 19 of Belagavadi; then south-west along the northern boundary of Survey No. 19 of Belagavadi to the north-west corner of Survey No. 19; then north-east along the eastern boundary of Kayamgutta Salamaranhalli till it meets again the starting point.

No. G. 1378—Ft. 1-32-21, dated 25th August 1932.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 35 of the Mysore Forest Regulation, that the land, the limits of which are described in the schedule annexed hereto, shall be constituted a Minor Forest under the name "Kanangi Minor Forest," Tirthahalli Taluk for the purposes of the rules for the management of the Minor Forests issued with Government Notification No. G. 12673-32—Ft. 185-24-7, dated the 11th April 1929.

Boundaries.

North.—Starting from the trijunction bands of Yedemani, Muttavalli and Kasaravalli villages the line runs north-east along Kasaravalli village boundary and meets the north-west corner of Survey No. 12, thence south-west, through Survey No. 11 for a distance of 15 chains and meets the south-west corner of the tank in Survey No. 11, thence south-east for 8 chains along its south side and then turns north-east along its east side and through Survey No. 11 for 8 chains and meets the south-east corner of Survey No. 12, thence courses along the east sides of Survey Nos. 12 and 13 and meets the north-east corner of the last named survey number, thence in the same direction for one chain, through Survey No. 11 and meets the Kasaravalli village boundary, thence south-east along the said boundary and meets the north-west corner of Survey No. 14, thence south-west along the halla in Survey No. 11 and meets the north-west corner of Survey No. 21, thence south-east along the west and

southsides of Survey No. 21 and the westside of Survey No. 20 and meets the south-west corner of Survey No. 20, thence in the same direction along the Kasaravalli village boundary and meets the north-west corner of Survey No. 23, thence south-east and north-east along the west and southsides of Survey No. 23 and meets its south-east corner, thence south-east and north-east along the Kasaravalli village boundary and meets the north-west corner of Survey No. 24 at a point 5 chains north-west from the north-west corner of Survey No. 25, thence south-east, through Survey No. 24 for a distance of 5 chains and meets the north-west corner of Survey No. 25, thence south along its westside to its south-west corner, thence east along the halla in Survey No. 24 and meets the south-west corner of Survey No. 26, thence along its southside to its south-east corner thence north along its eastside and meets the common boundary of Survey Nos. 26 and 27 of Muttavalli.

East.—Then the line runs along the southside of Survey No. 27 and meets the north-west corner of Survey No. 31, thence along the north-side of Survey No. 29 to its north-west corner, thence along the northside of Survey No. 28 to its north-west corner, thence south along its westside and meets the north-east corner of tank in Survey No. 24, thence south-west and south-east along its north and west sides to its south-west corner, thence south-east for 6 chains, through Survey No. 24 and then east for 18 chains, through the same Survey No. 24 and meets the north-west corner of Survey No. 45, thence south-east along its west side and meets the northern corner of Survey No. 46, thence along its westside to its south-west corner, thence south-east for a distance of 10 chains, through Survey No. 24 and meets the south-west corner of Survey No. 52, thence south-east along its southside to its south-east corner, thence along the south side of Survey No. 58 and meets the north-west corner of Survey No. 68, thence along the west sides of Survey Nos. 68 and 27 and meets the south-west corner of the last named survey number, thence courses along the north sides of Survey Nos. 65 and 70, 71, 26 and 73 and meets the north-west corner of the last named survey number, thence along the west side of Survey No. 73 to its south-west corner, thence along the south side of Survey Nos. 73 and 26 and meets the south-east corner of Survey No. 26, thence along the west side of Survey Nos. 23 and 22 and meets the south-west corner of the last named Survey No., thence along its southside to its south-east corner, thence north-east along the east sides of Survey Nos. 21 and 23 and south side of Survey No. 65 and meets the south-east corner of the last named survey number, thence north-east, through Survey No. 21 for a distance of 20 chains and meets the south-east corner of Survey No. 64 of Muttavalli, thence south-east along the westside of Survey No. 43 of Tirthamuttur and meets its south-west corner, thence along the west side of Survey No. 46 to its southern corner, thence along its eastside to its north-east corner, thence south-east for a distance of 22 chains, through Survey No. 21 and meets the north-west corner of tank in Survey No. 21, thence along the westside of the said tank to its southern corner, thence through Survey No. 21 for 10 chains and 6 chains and then north-west for 7 chains, through Survey No. 21 and meets the north-east corner of Survey No. 5, thence east along the southside of Survey No. 4 to its south-east corner, thence south-east along the left bank of Tunga River and meets the north-east corner of Survey No. 7, thence along its northside to its north-west corner, thence south-west for 6 chains and 12 chains, through Survey No. 21 and meets the western corner of tank in Survey No. 21, thence along the west and south sides of the said tank to its south-east corner, thence north-east for 1 chain, through Survey No. 21 and meets the southern corner of Survey No. 8, thence along its eastside to its north-east corner, thence along the southside of Survey No. 7 to its south-east corner, thence south-east along the left bank of Tunga River and meets the common boundary of Tirthamuttur and Chavalmane villages.

South.—Then the line runs south-west along the northern boundary of Chavalmane village and meets the south-east corner of Survey No. 10 of Tirthamuttur village, thence north-west along its eastside to its north-east corner, thence north-east and north-west along the eastside of Survey No. 9 to its north-east corner, thence along its northside to its north-west corner, thence along its westside south-west corner, thence south through Survey No. 21 for 20 chains and meets the northern boundary of Survey No. 11, thence north-west along its northside to its north-east corner, thence north-west along the eastside of Survey No. 14 to its north-east corner, thence north-east along the eastside of Survey Nos. 15 and 16 and meets the north-east corner of the last named survey number thence east for 3 chains, then turns north-west for 7 chains and 6 chains, through Survey No. 21 and meets the north-east corner of Survey No. 17, thence south-west along the northside of the same survey number to its north-west corner, thence south-west for 5 chains, through Survey No. 21 and meets the north-west corner of tank No. 1 in Survey No. 21, thence south-west for 11 chains, through the same Survey No. 21 and meets the north-west corner of tank No. 2 in Survey No. 21, thence south-west for 3 chains, through the same Survey No. 21 and meets the north-west corner of Survey No. 15, thence south-east, through Survey No. 21 for a distance of 17 chains and meets the common boundary of Tirthamuttur and Chavalmane villages, thence north-west along the said common boundary and meets the south-east corner

of Survey No. 20, thence north-west along its east side to its north-east corner; thence north-east for 19 chains along the halla in Survey No. 84 of Muttavalli upto a point 2 chains east of the northern corner of Survey No. 85 and then turns south-west, through Survey No. 84 for 5 chains and meets the eastern corner of Survey No. 82, thence north-east for 15 chains along the halla in Survey No. 84 and meets the north-east corner of Survey No. 83, thence along the north side of the same survey number to its north-west corner, thence south-west for 12 chains, through Survey No. 81 and meets the north-east corner of Survey No. 81, thence along the north side of the said survey number to its north-west corner, thence north-west along the east sides of Survey Nos. 80 and 87 and meets the north-east corner of Survey No. 87, thence north-west for 1 chain and meets the southern boundary of Survey No. 86, thence along the south side of the same survey number to its south-east corner, thence north-east along the east side of Survey No. 86 to its north-east corner, thence along the north side of the same survey number to its north-west corner, thence south-west, through Survey Nos. 84 and 9 for a distance of 17 chains and then turns east for 3 chains and meets the south-west corner of Survey No. 88, thence along the south side of Survey No. 88 and west side of Survey No. 89 and meets the southernmost corner of the last named survey number, thence south-west along the north sides of Survey Nos. 79 and 78 and the tank in Survey No. 77 and meets the north-west corner of the said tank, thence along the west and south sides of the said tank and meets the south-west corner of Survey No. 78, thence along the south sides of Survey Nos. 78, 79 and 80 and meets the north-west corner of Survey No. 75, thence along the west, south and east sides of the same survey number to the southern corner of Survey No. 74 thence north-east along the east side of Survey No. 74 to its north-east corner, thence south-east along the west side of Survey No. 20 and meets the north-east corner of Survey No. 19, thence south-west along the north sides of Survey No. 19 and tank in Survey No. 18 to the north-west corner of the said tank, thence along the west and south sides of the said tank and meets the south-west corner of Survey No. 19, thence along its south side to its south-east corner, thence south-east along the south side of Survey No. 20 to its southernmost corner, thence south-west and south-east along the western boundary of Chavalmancu village of Koppa Taluk and meets the south-east corner of Survey No. 49, thence north-west along the east side of the said survey number to its north-east corner, thence along the east side of Survey No. 45 and meets the south-west corner of Survey No. 44, thence along the south, east, north and west sides of the same survey number and meets the common bounds of Survey Nos. 44 and 45, thence along the east side of Survey No. 45 to its north east corner, thence north east along the east side of Survey Nos. 43 and 42 to the north east corner of the last named survey number, thence north west for $2\frac{1}{2}$ chains through Survey No. 41 and meets the north east corner of the tank in Survey No. 41, thence along the north and west sides of the said tank to its south west corner, thence south for 1 chain through Survey No. 41 and meets the north west corner of Survey No. 42, thence south and south-west along the west side of Survey No. 42 and meets the south-west corner of Survey No. 43, thence along the west side of Survey No. 45 and meets the north-east corner of Survey No. 40, thence along the north sides of Survey Nos. 40, 12 and 11 and meets the south-east corner of Survey No. 9, thence north west along the east sides of Survey Nos. 9 and 7 and meets the north east corner of the last named survey number, thence along the north side of the same survey number to its north west corner, thence south west through Survey No. 41 for a distance of 11 chains and meets the north west corner of Survey No. 13, thence along the east side of Survey Nos. 3, 2 and 1 and meets the north-east corner of the last named survey number, thence along the north side of the same survey number to its north-west corner, thence along the west sides of Survey Nos. 1, 2 and 3 and meet the north-east corner of Survey No. 5, thence along the north side of the same survey number to its north-west corner, thence along its west and south sides to its southernmost corner, thence south-east for 6 chains through Survey No. 41 and meets the south-west corner of Survey No. 3, thence along the south side of the same survey number to its south-east corner, thence along the west side of Survey No. 13 to its south-west corner, thence along the west side of Survey No. 16 to its south-west corner, thence along the north, west and south sides of Survey No. 17 to its south-east corner, thence south-east for 12 chains through Survey No. 41 and meets the western corner of Survey No. 23, thence along its west side to its south-west corner, thence along the west and south sides of Survey No. 24 to its south-east corner, thence along the west and south sides of Survey No. 25 to its south-east corner, thence along the west side of Survey No. 27 and north, west and south sides of Survey No. 28 and meets the north-west corner of Survey No. 29, thence along the west and south sides of Survey No. 29 and meets the western corner of Survey No. 57, thence along the west side of the same survey number to its south-west corner, thence along the north and west sides of Survey No. 70 to its south-west corner, thence along the west side of Survey No. 72 and north side of Survey No. 74 and meets the north-west corner of Survey No. 74, thence south-west along its west side and through Survey No. 41 for a distance of 9 chains and meets the northernmost corner of Survey No. 77, thence along the north side of the same survey number to its north-west corner, thence along the north sides of Survey Nos. 78 and 79 and meets the

north-west corner of the last named survey number, thence along the east side of Survey No. 80 to its north-east corner, thence along the east side of Survey Nos. 81, 82, 84 and 86 and meets the north-east corner of the last named survey number, thence along the north side of Survey Nos. 86 and 88 and then through Survey No. 89 for 19 chains and meets the north-west corner of Survey No. 88, thence along the west side of the same survey number and of the tank to the south-west corner of the latter, thence along the south sides of the tank and Survey No. 88 and meets the western side of Survey No. 87, thence along the west side of the same survey number to its south-west corner, thence south-east for 8 chains through Survey No. 89 and meets the western corner of Survey No. 84, thence along the west side of the same survey number to its south-west corner, thence along the north sides of Survey Nos. 104, 103, 102, 101, 100, 98, 97, 95, 94, 93, 92, 91 and 90 and meets the northernmost corner of the last named survey number, thence north-west through Survey No. 89 for a distance of 5 chains and meets the Chickakodlabailu Reserve boundary.

West.—Then the line runs north along the Chickakodlabailu Reserve boundary and meets the common boundary of Holalurbettagera and Chicklur villages, then turns north-east along the eastern boundary of Holalurbettagera village and meets the south-east corner of Survey No. 59, thence north-west through Survey No. 59 of Holalurbettagera for a distance of 10 chains and meets the south-east corner of Survey No. 58, thence north-west along the east sides of Survey Nos. 58, 57, 55, 54, 38, 36, 35, 32 and 31 and meets the north-east corner of the last named survey number, thence east through Survey Nos. 33 of Holalurbettagera and 9 of Muttavalli for a distance of 16 chains and meets the south-east corner of tank in Survey No. 91, thence along the east and north sides of the said tank to its northernmost corner, thence along the east side of Survey No. 91 to its northernmost corner, thence north-east through Survey No. 9 for a distance of 10 chains and meets the south-east corner of Survey No. 4, thence south-east along the south sides of Survey Nos. 5 and 6 to the south-east corner of the last named survey number, thence in the same direction for about 7 chains through Survey No. 9 and meets the foot-path leading to Kasaravalli village, thence north east along the said footpath for a distance of 6 chains and meets the Katte in Survey No. 9, thence along the east and north sides of the said Katte and meets the north east corner of Survey No. 8, thence along the north side of Survey No. 8 to its north west corner, thence along the north sides of Survey Nos. 6, 5, 4 and 3 and meets the north-west corner of the last named survey number, thence along the east side of Survey No. 2 and meets the southernmost corner of Survey No. 10, thence along the south side of the same survey number to its south-east corner, thence along the east and north sides of the same survey number to its north west corner, thence along the north sides of Survey Nos. 2, 105, 104 and 103 and meets the northern corner of the last named survey number, thence north east and north west along the Yedamani village boundary and meets the starting point.

Rights and privileges enjoyed by the villagers within the block.

(a) *Right of way.*—(1) Cart tracks from Holalurbettagera to Kasaravalli and from Muttavalli to Kasaravalli are open to men, cattle and carts all the year round.

(2) Foot path from Holalurbettagera to Muttavalli village, from cart track No. 1 to Muttavalli and from cart track No. 2 to Kasaravalli are open to men and cattle all the year round.

(b) *Right of Grazing.*—The raiyats of Muttavalli, Holalurbettagera and Chicklur villages are entitled to graze their cattle free in Gomal survey numbers noted below:—

(i) Muttavalli village—Gomal Survey Nos. 22 and 77 (full).

(ii) Holalurbettagera village—Gomal Survey Nos. 33 part, 34 full.

(iii) Chicklur village—Gomal Survey No. 89 part.

In other lands grazing can be had on payment of Hulbanni.

(c) The raiyats of Muttavalli, Holalurbettagera, Tirthamathur and Chicklur village may extract green and dry leaf for manure from the Minor Forest adjoining the cultivation.

No. G. 138—Ft. 8-32-22, dated 25th August 1932.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of section 35 of the Mysore Forest Regulation, (XI of 1900), that the land, the limits of which are described in the schedule annexed hereto, shall be constituted a Minor Forest under the name "Yoginarsipur Minor Forest" Tirthahalli Taluk, for the purpose of the rules for the management of Minor Forests issued with Government Notification No. G. 12673-82—Ft. 185-24-7, dated the 11th April 1929.

Schedule.

Boundaries.

North.—Starting from the south-west corner of Survey No. 80 of Yoginarsipur village, the line runs south-east along the south side of Survey Nos. 80, 79, 76, 75, 74, 73, 72 and 67 and meets the south-east corner of the last named survey number; thence along the west side of Survey No. 66 to its south-west corner; thence south-east for a distance of 9 chains and then turns north-east for a distance of 11 chains through Survey No. 45 and meets the south-east corner of Survey No. 66; thence along its east and north sides to its north-west corner; thence north-east through Survey No. 45 for a distance of 6 chains and meets the southern corner of Survey No. 97; thence in the same direction along its east side to its north-east corner; thence the same direction along the south sides of the village site and Survey No. 44 to the south-east corner of the latter survey number; thence north-east through Survey No. 45 for a distance of 15 chains and meets the south-west corner of Survey No. 4; thence along the south side of the same survey number to its south-east corner; thence south-east along the south side Survey No. 3 to its southernmost corner; thence north-east along the east side of Survey No. 3 to its north-east corner; thence north-east along the southern boundary of Nartur village and meets the north-west corner of Survey No. 46.

East.—Then, the line runs south and south-east along the west and south sides of Survey No. 46 to its south-east corner; thence along the west and south sides of Survey No. 43 to its south-east corner; thence south-west through Survey No. 45 for a distance of 15 chains and meets the north-west corner of Survey No. 103; thence south-east along the west side of Survey No. 103 and meets the south-west corner of the same survey number; thence south-east through Survey No. 45 for a distance of 8 chains and meets the westernmost corner of Survey No. 60; thence along its south side to its south-east corner; thence south-east along the south side of Survey No. 61 to its south-east corner; thence south-east through Survey No. 45 for a distance of 4 chains along the cart track leading to Yedehalli and meets the Yedehalli village boundary thence south-west and south-east along the Yedehalli boundary and meets the northern corner of Survey No. 62; thence south-west and south-east along its west and south sides and meets its south-east corner where Yoginarsipur, Surlibalibailu and Yedehalli village limits join; thence south-west, south-east, and east along the Yedehalli village boundary and meets the tri-junction bands of Tirthahalli, Surlibalibailu and Yedehalli villages; thence south-east along the Tirthahalli village boundary and meets the north-east corner of Survey No. 51 of Surlibalibailu village.

South.—Then, the line runs north-west, south-west and north-west along the northern boundary of Survey No. 51 and meets its north-west corner; thence south-west along the west side of the same survey number to its south-west corner; thence north-west along the north side of Survey No. 50 to its north-west corner; thence along the west side of the same survey number to its south-west corner; thence south-west through Survey No. 43 for a distance of 3 chains and meets the Agumbi-Tirthahalli high road; thence south-west along the said high road and meets the south-east corner of Survey No. 57; thence north-west and south-west along the east and north sides of Survey No. 57 to its north-west corner; thence along the north sides of Survey Nos. 56 and 40 to the north-west corner of latter survey number; thence along the east sides of Survey Nos. 41, 42 and 38 and meets the north-east corner of the last named survey number.

West.—Then, the line runs north-west along the east sides of Survey Nos. 35 and 27 and meets the tri-junction bands of Survey Nos. 27, 26 and 24 of Surlibalibailu village; thence north-east along the east side of Survey No. 26 and meets the north-west corner of Survey No. 25; thence along the west and south sides of the same survey number to its south-east corner; thence along the south and east sides of Survey No. 26 to its north-east corner, thence north-west through Survey No. 24 for a distance of 8 chains and meets the south-east corner of Survey No. 17; thence along the east side of Survey No. 17 to its north-east corner; thence south-east for a distance of 27 chains through Survey Nos. 24 and 49 and meets the southernmost corner of Survey No. 44; thence south-west along the west and south sides of Survey No. 45 to its southern corner; thence south-east for a distance of 5 chains through Survey No. 49 and meets the south-west corner of Survey No. 46; thence along its south side to its south-east corner; thence south-east along the south sides of Survey Nos. 47 and 48 and meets the south-east corner of the last named survey number; thence north east along the east side of Survey No. 48 to its north-east corner; thence in the same direction for 5 chains through Survey No. 49 and then turns slightly north-west for 18 chains through Survey No. 49 and meets the north-west corner of Survey No. 48; thence along the north side of Survey No. 47 to its northernmost corner; thence slightly north-west for 19 chains through Survey No. 49 of Surlibalibailu and 45 of Yoginarsipur and meets the north-east corner of Survey No. 63; thence north-west for 17 chains through Survey No. 45 up to a point 5 chains north-east from the north-east corner of Survey No. 64; thence in the same direction for a distance of 25 chains through Survey No. 43 and meets the north-east corner of Survey No. 65; thence along its north west and south sides to its south-east corner; thence along the south side of Survey No. 64 to its south-east corner; thence along the south side of Survey No. 63 for a distance of 12 chains and then turns south-east for 6 chains

through Survey No. 45 of Yoginarsipur and 49 of Surlibalibailu and meets the north-west corner of Survey No. 45; thence south-west through Survey No. 49 for a distance of 14 chains and meets the north-east corner of Survey No. 14; thence along the north side of the same survey number to its north-west corner; thence south-east and south-west along the west side of Survey No. 44 to its south-west corner; thence north-west for 18 chains along the east side of Survey No. 24 and meets the common boundary of Yoginarsipur and Surlibalibailu villages; thence north-west along the said common boundary and meets the tri-junction bands of Surlibalibailu, Geraballi and Yoginarsipur villages; thence north-west along the Geraballi village boundary and meets the starting point.

Remarks.—Rights and privileges enjoyed by the villagers within the Block.

(a) *Right of way.*—Cart-track from Narhar to Yedehalli is open to men, cattle and carts all the year round.

(b) *Right of grazing.*—The raiyats of Surlibalibailu village are entitled to graze their cattle free in Gomal Survey Nos. 24, 43 and 49 while those of Yoginarsipur village have to pay hulbanni for grazing in the Kharab lands of their village.

(c) The raiyats of Yoginarsipur and Surlibalibailu villages may extract green and dry leaf for manure from the Minor Forest adjoining the cultivation.

No. G. 1406—Ft. 1-32-24, dated 26th August 1932.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of section 35 of the Mysore Forest Regulation, (XI of 1900) that the land, the limits of which are described in the schedule annexed hereto, shall be constituted a Minor Forest under the name "Mallapur Minor Forest," Thirthahalli Taluk for the purposes of the rules for the management of Minor Forests issued with Government Notification No. G. 12673-82—Ft. 185-24-7, dated the 11th April 1929.

Boundaries.

North.—Starting from the south-east corner of Survey No. 147 of Triambakpur village, the line runs east through Survey No. 135 for a distance of 25 chains and meets south-east corner of Survey No. 129, thence south-east along the west sides of Survey Nos. 55, 56 and 57 of Mallapur and meets the north-west corner of Survey No. 53, thence along the west sides of Survey Nos. 53 and 52 and meets the Northern corner of Survey No. 51, thence south-west through Survey No. 49 for a distance of 15 chains and meets the northern corner of Survey No. 50, thence south-west through Survey No. 49 for a distance of 25 chains and

meets the south-west corner of Survey No. 50, thence along the southside of the same survey number to its south-east corner, thence north-east through Survey No. 49 for a distance of 34 chains and meets the south-east corner of Survey No. 52, thence north-east along the east sides of Survey Nos. 52, 53, and 57 and meets the south side of Survey No. 15, thence south-west through Survey No. 16 for a distance of 20 chains and meets the south-west corner of Survey No. 17, thence along its south and east sides to its north-east corner, thence along the south sides of Survey Nos. 19, 21, 24 and 25 and meets the south-east corner of the last named survey number, thence south-west along the west sides of Survey Nos. 28, 29, 30, 31 and 32 and meets the north-west corner of Survey No. 34, thence south-west through Survey Nos. 18 and 48 for a distance of 11 chains and meets the south-west corner of Survey No. 35 thence south-west for a distance of 16 chains through Survey No. 48 and meets the southern boundary of Survey No. 48, thence east for a distance of 6 chains along the said boundary and southside of Survey No. 47 and meets the south-east corner of Survey No. 47, thence along the east sides of Survey Nos. 47, 35, 37, 34, 32, 31, 30, 29 and 28 and meets the north-east corner of the last named survey number, thence south-east along the south side of Survey No. 27 to its south-east corner, thence north-east along the Santekoppa halla and meets the southern corner of Survey No. 26, thence along the eastside of the said survey number to its north-east corner, thence crossing the said halla and turns north-west along the halla and meets the south-east corner of Survey No. 15, thence along the east side of the same survey number to its easternmost corner, thence north-east through Survey No. 12 for a distance of 12 chains and meets the Jogikoppa Village Boundary.

East.—Then the line runs south-east along the Jogikoppa Village boundary and meets the halla where the limits of Venkanhalli Santekoppa, and Jogikoppa villages meet, thence south-west for 10 chains along the Venkanhalli halla and then south-east for 6 chains along the said halla and then south-west through Survey No. 27 for a distance of 24 chains and meets the north-west corner of Survey No. 33, thence along the westside of the same survey number, to its south-west corner, thence west through Survey No. 44 for a distance of 25 chains and meets the northern corner of Survey No. 39, thence slightly south-west through Survey No. 44 for a distance of 32 chains and meets the north-west corner of Katte in Survey No. 44, thence along the west and south sides of the said Katte and meets the south-west corner of Survey No. 47, thence along the southsides of Survey Nos. 47, 46 and 45 and meets the south-east corner of the last named survey number, thence along the west sides of Survey Nos. 41, 42 and 43 and meets the Katte in Survey No. 44, thence along the north-west and south sides of the said Katte and meets the south-west corner of Survey No. 43, thence along the south side of the same survey number to its south-east corner, thence north-east along the east sides of Survey Nos. 43, 42 and 41 and meets the north-east corner of the last named survey number, thence through Survey No. 44 for 17 chains and meets the south-west corner of Survey No. 34, thence along the southside of the same survey number and meets the north-west corner of Survey No. 35, thence along the west side of the same survey number, for a distance of 5 chains and then turns south-west and runs through Survey No. 38 for a distance of 34 chains and meets the westernmost corner of Survey No. 38 on the common boundary of Santekoppa and Neralkoppa villages, thence south-west through Survey No. 21 of Neralkoppa Village for a distance of 7 chains and meets the north-west corner of Survey No. 19, thence along the west side of the same Survey No. to its south-west corner, thence along the west sides of Survey Nos. 18, 17, 16 and 15 and meets the north-west corner of Survey No. 14, thence south-west through Survey No. 21 for a distance of 15 chains and meets the south-west corner of Survey No. 12, thence south-west along the west sides of Survey Nos. 11 and 10 and meets the north-west corner of Survey No. 9, thence through Survey No. 21 for a distance of 12 chains and meets the north-west corner of Survey No. 5, thence south-west through Survey No. 21 for 3 chains and meets the north-east corner of Survey No. 23, thence along the north sides of the Survey Nos. 23 and 22 and meets the north-west corner of the last named survey number, thence south-east for a distance of 10 chains along the west side of Survey No. 22 and through Survey No. 21 and meets the Bettabasarvanihalla.

South.—Then the line runs south-west and north-west along the Bettabasarvanihalla and meets the south-east corner of Survey No. 2, thence along the east sides of Survey Nos. 2 and 24 and meets the north-east corner of the last named survey number, thence through Survey No. 25 for a distance of 8 chains and meets the north-east corner of Survey No. 23, thence north-east along the east side of Survey No. 23 and meets the north-east corner of the same survey number, thence along the east side of Survey No. 35 of Totadkoppa to its easternmost corner and then runs through Survey No. 35 for a distance of 27 chains and meets the south-east corner of Survey No. 20, thence along the east sides of Survey Nos. 20 and 19 tank and meets the north-east corner of the said tank, thence along the east sides of Survey Nos. 40 and 39 of Mallapur and meets the north-east corner of the last named survey number, thence through Survey No. 41 for 1 chain and meets the south-east corner of Katte in Survey No. 41, thence along the east, north and west sides of the said Katte and meets its south-west corner, thence through Survey No. 41 for a distance of 12 chains and meets the north-west corner of Survey No. 40, thence along the west side of Survey No. 40

to its south-west corner, thence along the west side of Survey No. 19 tank to its south-west corner thence along the north side of Totadkoppa Majara village site and meets the south-east corner of Survey No. 14 tank, thence north-east through Survey No. 18 for a distance of 17 chains and meets the south-east corner of Survey No. 17, thence along its east side to its north-east corner, thence north-west through Survey No. 18 of Totadkoppa and 46 of Mallapur for a distance of 15 chains and meets the north-east corner of Survey No. 42, thence along the northside of the same survey number to its northern corner, thence south-west through Survey No. 46 for a distance of 18 chains and meets north-west corner of Survey No. 45, thence along the westside of the same survey number to its south-west corner, thence south-east through Survey No. 46 of Mallapur and 15 of Totadkoppa for a distance of 30 chains and meets the north-west corner of Survey No. 14 tank, thence south-west along the west sides of Survey Nos. 14 and 13 and meets the westernmost corner of Survey No. 13, thence south-west through Survey No. 15 for a distance of 28 chains and meets the south-west corner of the Totadkoppa village site, thence south-east through Survey No. 19 of Bettabasavani for a distance of 10 chains and meets the western corner of Survey No. 22 of Bettabasavani, then turns west through Survey Nos. 19 and 18 for a distance of 12 chains and meets the north-east corner of Survey No. 17, thence along the northside of the same survey number to its north-west corner, thence through Survey No. 18 for a distance of 10 chains and meets the northern corner of Survey No. 14, thence along the north side of the same survey number to its north-west corner.

West.—Then the line runs north-west through Survey No. 18 of Bettabasavani and 112 of Triambakpur for a distance of 28 chains and meets the eastern corner of Survey No. 111 of the last named village, thence along the east side of the same survey No. to its north-east corner, thence north-west through Survey No. 112 for a distance of 19 chains and meets the south-east corner of Survey No. 115, thence north-east through Survey No. 112 for a distance of 27 chains and meets the north-east corner of Survey No. 113, thence along its north side to its north-west corner, then turns south-west and runs through Survey No. 128 for a distance of 20 chains and meets the northern corner of Katta in Survey No. 128, thence north-west through Survey No. 128 for a distance of 26 chains and meets the trijunction bands of Survey Nos. 126, 135 and 195, thence north-east through Survey No. 135 for a distance of 15 chains and meets the south-east corner of Survey No. 189, thence along the east side of the same survey number to its north-east corner thence north-east through Survey No. 135 for a distance of 21 chains and meets the south-east corner of Survey No. 136, thence north-east through Survey No. 135 for a distance of 56 chains and meets the starting point.

Remarks.—Rights and Privileges enjoyed by the Villagers within the Block.—

(a) *Right of Way.*—Foot-paths from Triambakpur to Mallapur, from Bettabasavani to Mallapur and from Totadkoppa to Neralkoppa are open to men and cattle all the year round.

(b) *Right of Grazing.*—The raiyats of Mallapur, Triambakpur, Santekoppa, Totadkoppa, Neralkoppa and Bettabasavani villages are entitled to graze their cattle free in Gomal survey numbers noted below of the respective Villages.—

- (1) Triambakpur, Gomal Survey No. 112.
- (2) Mallapur Gomal Survey Nos. 16, 18, 38, 41, 46, 48, 49, 54.
- (3) Santekoppa Gomal Survey Nos. 12, 27, 38, 44.
- (4) Totadkoppa Gomal Survey No. 18.
- (5) Neralkoppa Gomal Survey No. 21, and
- (6) Bettabasavani Gomal Survey No. 26.

and on payment of Hulbanni in Kharab lands.

(c) The raiyats of Mallapur, Triambakpur, Santekoppa, Totadkoppa, Neralkoppa and Bettabasavani Villages may extract green and dry leaf for manure free from the Minor Forest adjoining the cultivation.

No. G. 1412—Ft. 32-26, dated 26th August 1932.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 35 of the Mysore Forest Regulation, (XI of 1900) that the land, the limits of which are described in the schedule annexed hereto, shall be constituted a Minor Forest under the Name "Yadavatti Minor Forest," Tirthahalli Taluk for the purposes of the rules for the management of Minor Forests issued with Government Notification No. G. 12673-82—Ft. 185-24-7, dated the 11th April 1929.

Boundaries.

North.—Starting from the south-east corner of Survey No. 7 of Jogikoppa village, the line runs south-east through Survey No. 8 for a distance of 9 chains and meets the Kombinakai village boundary after crossing the halla; thence south-east, north-east and east along the Kombinakai village boundary and meets the north-west corner of Survey No. 29 of Venkanhalli.

East.—Then, the line runs south along the west side of Survey No. 29 and meets its south-west corner; thence south along the western boundary of Kanangi village and meets the south-east corner of Survey No. 17 of Venkanhalli village; thence along the east, north and west sides of Survey No. 17 to its south-west corner; thence south-west along the Kanangi village boundary and meets the tri-junction bands of Venkanhalli, Attigaddi and Kanangi villages; thence north-west along the north side of Survey No. 22 of Attigaddi and meets its north-west corner; thence along the north side of Survey No. 16 of Venkanhalli to its north-west corner; thence north-east along the east sides of Survey Nos. 9, 8, 7, 6 and 5 to the north-east corner of the last named survey number; thence through Survey No. 18 for a distance of 20 chains and meets the south-west corner of Survey No. 20; thence along the south sides of Survey Nos. 20 and 21 and meets the south-east corner of the last named survey number; thence north-east along the east side of Survey No. 21 to its eastern corner; thence through Survey No. 18 for a distance of 9 chains and meets the south-east corner of Survey No. 22; thence along the east, north and west sides of Survey No. 22 tank to its south-west corner; thence south through Survey No. 35 for a distance of 8 chains and meets the north-east corner of Survey No. 20; thence along its north side to its north-west corner; thence north-west through Survey No. 35 for a distance of 7 chains and meets the south-east corner of Survey No. 33 tank; thence along the east side of the same survey number to its north-east corner; thence north-west through Survey No. 35 for a distance of 14 chains and meets the eastern corner of Survey No. 32; thence north-east through Survey No. 35 for a distance of 18 chains and meets the eastern corner of Survey No. 30; thence along the east side of the same survey number to its north-east corner; thence through Survey No. 35 for a distance of 6 chains and meets the north-west corner of Survey No. 30; thence south-west through Survey No. 35 for a distance of 40 chains and meets the north-west corner of Survey No. 34; thence along the west side of Survey No. 34 to its south-west corner; thence south-east through Survey No. 35 for a distance of 18 chains and meets the southern-most corner of Survey No. 2; thence south-west for 31 chains through Survey No. 35 and meets its southern side at a point 5 chains west from the south-west corner of Survey No. 9; thence through Survey No. 11 for a distance of 14 chains and meets the north-west corner of Venkanhalli Majare village site; thence along its west side to its south-west corner;

thence south-east through Survey No. 11 for a distance of 15 chains and meets the south-west corner of Survey No. 12; thence crossing the Kalavantihalla for 2 chains and meets the northern boundary of Kalavanti village; thence along the said village boundary and the said halla and meets the common bandhs of Kalavanti and Attigaddi villages; thence east and south-east along the Attigaddi halla and meets the northern corner of Survey No. 15; thence along the north side of Survey No. 15 to its north-west corner; thence south-west through Survey No. 32 for a distance of 5 chains and meets the north-west corner of Survey No. 14; thence along its west side to its south-west corner; thence along the north, west and south sides of Katte in Survey No. 32 and of Survey No. 14 and meets the south-east corner of the latter survey number; thence north-east for 9 chains through Survey No. 32 and meets the south-west corner of Survey No. 15; thence south-east through Survey No. 32 for 9 chains and meets the foot-path leading to Marhalli and the northern boundary of Yadavatti village; thence along the said foot-path for a distance of 6 furlongs through Survey No. 26 of Yadavatti up to a point 1 chain north-east from the north-west corner of Survey No. 18; thence south-west through Survey No. 26 for 1 chain to the north-west corner of Survey No. 18; thence along its west and south sides to its south-east corner; thence along the south side of Survey No. 20 to its south-east corner; thence south-east through Survey No. 15 for 5 chains and meets the north-west corner of Survey No. 17; thence along the west, south and east sides of Survey No. 17 and meets the north-east corner of the same survey number; thence through Survey No. 16 for a distance of 5 chains and meets the south-west corner of Survey No. 22; thence along the south side of the same survey number to its south-east corner; thence north-east through Survey No. 16 for a distance of 23 chains and meets the south-west corner of Survey No. 25; thence along the south sides of Survey Nos. 25 and 28 and meets the south-east corner of the latter survey number; thence south-east through Survey No. 9 of Attigaddi for a distance of 8 chains up to a point on its eastern side 3 chains south-west from the south-east corner Survey No. 10; thence south-east through Survey No. 8 for a distance of 29 chains and meets the Kanangi halla; thence in the same direction through Survey No. 13 for a distance of 42 chains and meets the Kanangi halla; thence south-west along the said halla for a distance of 19 chains and then turns south-west through Survey No. 13 of Kanangi and 39 of Yadavatti for a distance of 16 chains and meets the north-west corner of Survey No. 38; thence south along its west and south sides to its southernmost corner, thence south-east and south-west along the Yadavatti halla and meets the north-east corner Survey No. 42.

South.—Then, the line runs north-west through Survey No. 40 of Yadavatti village for a distance of 16 chains and meets the south-east corner of Survey No. 41; thence along its east, north and west sides to its south-west corner; thence south-east for a distance of 8 chains through Survey No. 40 and meets the north-west corner of Survey No. 42; thence along its west side and meets the common bandhs of Survey Nos. 42 and 43; thence along the north-west side of Survey No. 43 and meets the north-east corner of Survey No. 44; thence along the north side of the same survey number to its north-west corner; thence along the north-east side of Survey No. 45 to its northern corner; thence along the east side of Survey No. 9 to its northern corner; thence north along the east side of Survey No. 36 for a distance of 30 chains and then turns west for 2 chains in the same survey number and meets the north-east corner of Survey No. 35; thence along the north side of the same survey number to its north-west corner; thence along the west sides of Survey Nos. 35, 34, and 33 and meets the south-west corner of the last named survey number; then turns north-west along the north side of Survey No. 11 and meets the north-east corner of Survey No. 12; thence through Survey No. 32 for a distance of 15 chains and meets the eastern corner of Survey No. 30; thence north-west through Survey No. 16 for a distance of 19 chains and meets the north-east corner of Survey No. 29 tank; thence along its north and west sides to its south-west corner; thence through Survey No. 16 for a distance of 17 chains and meets the western corner of Survey No. 30; thence along the west side of the same survey number to its south-west corner; thence along the west sides of Survey Nos. 24 and 25 and meets the south-west corner of last named survey number; thence along its south side to its south-east corner; thence east through Survey No. 16 for a distance of 17 chains and meets the south-west corner of Survey No. 13; thence slightly south-west through Survey No. 1 for a distance of 18 chains and meets the north-west corner of Survey No. 8; thence along its west side to its south-west corner; thence south-west through Survey No. 1 for a distance of 20 chains and meets the tri-junction bands of Kudvalli, Yadavatti and Sheke villages; thence south-west along the Sheke village boundary and meets the south-east corner of Survey No. 15; thence north-east along the east sides of Survey Nos. 15, 14, 13, 12, 9, 8 and 6 and meets the south-west corner of Survey No. 4; thence along the south, east and north sides of Survey No. 4 to its north-west corner; thence along the north sides of Survey Nos. 3, 2 and 1 and meets the north-west corner of the last named survey number; thence slightly north-west along the western boundary of Yadavatti village and meets the north-east

corner of Survey No. 36; thence along its north side to its north-west corner; thence along its west side to its south-west corner; thence along the west sides of Survey Nos. 37, 38, 39, 43, 44 and 45 and the north and west sides of Survey No. 47 and meets the south-west corner of the last named survey number; thence west through Survey No. 58 for 10 chains and meets the northern corner of Survey No. 57; thence along the west side of the same survey number to its south-west corner; thence along its south side to its south-east corner; thence through Survey No. 58 for a distance of 8 chains and meets the Marhalli village site; thence south-west through Survey No. 58 for a distance of 7 chains and meets the northern corner of Survey No. 55; thence along the north sides of Survey Nos. 55 and 56 and meets the north-west corner of the last named survey number; thence along its west side to its south-west corner; thence west along the southern boundary of Marhalli village till it meets the halla; then runs north-west along the said halla and meets the south-west corner of Survey No. 64.

West.—The line runs along the south and east sides of Survey No. 64 and meets its northernmost corner; thence north-east through Survey No. 35 for a distance of 37 chains and meets the south-east corner of Survey No. 60; thence along the east side of Survey No. 60 the south-east and north sides of Survey No. 59 and meets its north-west corner; thence along the north sides of Survey Nos. 60, 61, 63 and 65 and meets the north-east corner of Survey No. 66; thence north-west along the east sides of Survey Nos. 66, 68 and 69 and meets the northern corner of the last named survey number thence along the east sides of Survey Nos. 70, 71, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33 and 34 and meets the north-east corner of the last named survey number; thence north-east through Survey No. 11 of Marhalli village and 8 of Kalavanti village for a distance of 15 chains and meets the eastern corner of Survey No. 1; thence along its east side to its north-east corner; thence north-east through Survey No. 8 for a distance of 10 chains and meets the south-east corner of Survey No. 3; thence along the east sides of Survey Nos. 3, 4, 5 and 6 and the west, south and east sides of Survey No. 7 and the east side of Survey No. 6 and meets the northernmost corner of Survey No. 6; then turns south-west along the west sides of Survey Nos. 6, 5, 4, 3, 2 and 1 and meets the south-west corner of the last named survey number; thence through Survey Nos. 8 of Kalavanti village and 11 of Marhalli village for a distance of 16 chains and meets the north-west corner of Survey No. 34; thence along the west sides of Survey Nos. 34, 33, 32, 31, 30 and 29 and meets the north-west corner of Survey No. 28; thence south-west through Survey No. 11 for a distance of 20 chains and meets the north-west corner of Marhalli village site; thence along the west side of the said village site to its south-west corner; thence south-west through Survey No. 11 for a distance of 12 chains and meets the western corner of Survey No. 14, thence along the west sides of Survey Nos. 14, 13 and 12 and the north side of Survey No. 176 and meets the south-east corner of Survey No. 78; thence along the east sides of Survey Nos. 78, 79 and 81 and the south and east sides of Survey No. 83 and meets the south-east corner of Survey No. 89; thence north-east for 21 chains through Survey No. 11 and meets the north-east corner of Survey No. 92; thence north-east through Survey No. 11 for a distance of 10 chains and meets the eastern corner of Survey No. 96; thence along the east sides of Survey Nos. 96, 97, 98, 99, 100, 101, 2, 3, 4, 5, 6, 7, 8, 9 and 10 tank to the north-east corner of the said tank; thence along north side of the said tank to its north-west corner; thence along the west sides of Survey Nos. 10 and 9 and meets the south-west corner of the last named survey number; thence south-west through Survey No. 11 for 11 chains and meets the north-west corner of Marhalli village site; thence along the west, and south sides of the same village site to its south-east corner; thence along the west sides of Survey Nos. 96, 95, 94, 93, 92, 91 and 90 and meets the eastern corner of Survey No. 83; thence along the east sides of Survey Nos. 83 and 84 and meets the north-east corner of the last named survey number; thence along the east side of Survey No. 2 of Niralkoppa village and meets the south-east corner of Survey No. 5; thence north-east along the east sides of Survey Nos. 5, 6, 7, 8, 9, 11, 12, 13 and 14 and meets the eastern corner of the last named survey number; thence north-east through Survey No. 21 for a distance of 13 chains and meets the north-east corner of Survey No. 16; thence through Survey No. 21 for 15 chains and meets the north-east corner of Survey No. 18; thence along the east side of Survey No. 19 to its north-east corner; thence north-east through Survey No. 38 of Santekoppa village for a distance of 11 chains and meets the north-west corner of Survey No. 37; thence along the west and south sides of the same survey number to its south-east corner; thence along the east sides of Survey Nos. 37, 36, 35 and 34 and meets the north-east corner of the last named survey number; thence east along the Santekoppa halla and meets the south-east corner of Survey No. 29 on the Santekoppa village boundary; thence along the east sides of Survey Nos. 29 and 28 and meets the north-east corner of the last named survey number; thence north-west, north east and north-west along the eastern boundary of Santekoppa village up to a point 1 chain south-west from the south-west corner of Survey No. 29 of Jogikoppa village; thence north-east for 1 chain through Survey No. 30 and meets the south-west corner of Survey No. 29; thence along the south side of Survey No. 29; then

crosses the Jogikoppa halla for 4 chains and meets a point in the east side of the said halla; thence north-east along the said halla and meets the southern corner of Survey No. 36; thence north-east for 8 chains through Survey No. 30 and meets the westernmost corner of Survey No. 31; thence along its west, south and east sides and the east sides of Survey No. 32, Jogikoppa village site and Survey No. 1 to the south-east corner of Survey No. 3; thence north-east for 9 chains through Survey No. 9 and meets the eastern corner of Survey No. 4; thence along the east side of the same survey number to its northern corner; thence north-west through Survey No. 9 for a distance of 9 chains and meets the north-east corner of Survey No. 5; thence along the north side of the same survey number to its north-west corner; thence north-east for 10 chains crossing the Jogikoppa halla and meets the south-east corner of Survey No. 6; thence along the east side of the same survey number and meets the starting point.

Remarks.—Rights and Privileges enjoyed by the villagers within the Block.—

(a) Right of way; 2 foot-paths from Attigaddi to Kudavalli, from Marhalli to Kudavalli and from hamlet to hamlet in Kudavalli village, are open to men and cattle all the year round.

(b) *Right of grazing.*—The raiyats of undermentioned villages are entitled to graze their cattle free in Gomal survey numbers included in the Block and on payment of hulbanni in Kharab lands.

By Order,

R. RANGA RAO,
Secretary to Government,
General Department.

FINANCIAL SECRETARIAT.

No. 320—Muz. 278-31-4, dated 23rd—25th August 1932.

The following rules for the distribution of Sthalavasa and Bhatamanya allowances in the Sri Narayanaswami temple at Melkote, issued with Government Order 1786-87—Muz. 278-31-2, dated 23rd—30th May 1932, are published for general information:—

1. *Sthalavasa Allowances.*—1. The distribution should be confined to the families which were in receipt of the allowance at the time of the original grant.

2. Residence at Melkote is a necessary condition to receive the allowance and no right to appoint a gumasta for receiving it will be recognised.

3. Distribution will be made once a month after the 25th proportionate reduction being made, except for valid reasons, for the number of weeks a recipient was absent from Melkote. It shall be the responsibility of the Peshkar to see that the distribution is made only to the Hakdars residing at Melkote.

4. The member of a family above the age of seven will alone be entitled to receive the allowance.

5. At Rs. 14 per palla the present tasdik will permit of the distribution of 63 1/3 seers of rice per day which will be increased or decreased in accordance with the ruling rates in the market.

6. The rate will be one-eighth seer per soul per day as at present and the quantity for a family will be calculated with reference to the number of its members resident at Melkote, subject to the limitation contained in Rule 4 above. The allowances of absentees will lapse to the temple.

7. No family will get more than one seer a day and no individual will be entitled to receive the allowance in more than one capacity.

8. The married daughters of a family will not be entitled to the allowance unless they are married into a family entitled to the Sthalavasa.

9. When the allowance goes to a *Bhinna Goitra* descendant such as a daughter's son, a sister's son, etc., it should cease with that individual if his family was not included in the original list of families entitled to the allowance.
